An instruction's purpose is to teach, to ease the start-up and an item's use or performance of certain activities. An instruction is a compilation of information about an item/a service, it is a clue. Unfortunately, only a few customers devote their time to read an instruction of Brinkmann Charcoal Smoker. A good user manual introduces us to a number of additional functionalities of the purchased item, and also helps us to avoid the formation of most of the defects.

Guide Review - Brinkmann 5-Burner With Smoker Model #810-1751-SC . This is a large (554 square inch primary cooking area) 5-burner grill. It is a little low in the BTUs and lacks the construction and component quality of similarly priced gas grills (see Top 10 Gas Grills between $250 and $500).What is does offer, as its most interesting extra is a small gas powered smoker built into the cabinet.
