A Dignified Life The Best Friendsac Approach To Alzheimers ...

A Dignified Life, Revised and Expanded offers hope and help with a proven approach. Ten years ago, the first edition of A Dignified Life changed the way the caregiving community approached Alzheimer's disease by showing caregivers how to act as a Best Friend to the person, finding positive ways to interact even as mental abilities declined. Firmly grounded in the latest knowledge about the progression and treatment of dementia, this expanded edition offers a wealth of

A Dignified Life develops and navigates care plans with elders and family members. We assess safety, living conditions/situation, cultural influences, and family dynamics to identify a comprehensive care plan that addresses specific needs. We do not give lists, but vet, reference and locate specific services based on health, medical,
