With Before Sunrise, it acts as more of a deadline on the couples' time together, driving home the idea of personal growth and fulfillment through falling in love and detaching one's self from the real world. Additionally, much like Slacker and Dazed, Before Sunrise introduces us to a number of secondary quirky and memorable characters. Not long after leaving the station, Jesse and Céline meet a couple of locals who invite them to a play (which they never see) about the search for a cow.~~

Before Sunrise was remotely directed by Rogerio Takashi all the way from Brazil, and the writer Helena Riul. All communications regarding direction & production were, of course, done digitally. ¶ Before Sunrise is a positive message for these dark moments when too many of us are separated from our family and our dearest friends. The film gives us hope and reminds us not to lose faith in the love that defines us all.¶~~
