Brokerage And Closure An Introduction

Closure is the tightening of coordination on a closed network of people. Brokerage and Closure explores how these elements work together to define social capital, showing how in the business world reputation has come to replace authority and reward has come to be associated with achieving competitive advantage in a social order of continuous disequilibrium.

Brokerage and Closure: An Introduction to Social Capital ...

Ronald S. Burt builds upon his celebrated work in this area to explore the nature of brokerage and closure. Brokerage is the activity of people who live at the intersection of social worlds, who have a vision advantage of seeing and developing good ideas, an advantage which can be seen in their compensation, recognition, and the responsibility they're entrusted with in comparison to their peers.

Brokerage and Closure: An Introduction to Social Capital ...

Brokerage and Closure offers an integrated theory of social capital. This book aims to highlight the effects and mechanisms of the two main sources of social capital, which are the brokerage position and the closure of groups. Brokers (people in a brokerage position) stand at the intersection of social worlds. Thus, they create value by bridging them.
