Your score on this test will determine whether you will be offered a final structured interview with a panel of representatives from Barclay Child Protection Agency. You need to get at least 70% of the answers correct in order to be offered the final interview. If you do, you will see a YES at the end of the test, which indicates you have successfully secured the interview with BCPA and you will be contacted to arrange a day and time.

Assessment in child protection consists of several key functions, many of which may occur continuously throughout the life of a case. Various assessments of risk, safety, child and family functioning, and trauma occur at screening, intake, investigation/assessment, ongoing child protection, and case closure. Throughout the assessment phase, caseworkers may face unique challenges in responding to the varying types of child abuse and neglect or responding to families who have a recurrence of ...
