An all-ages epic! Lilith Dark has no time for tea parties and princess stuff - she's far too busy fighting off wicked creatures and fantastic beasts... or at least that's how she imagines things. One day, Lilith follows a mysterious kitten into an old tree and discovers an entire world of real beasties that has been living right under her nose! With her big sister held captive, Lilith must face her fears, rescue her sister from the evil beasties, and save the day before bedtime!

Choti Rani breathed deeply and held his hand with her teeth, she bit him hard and he started bleeding. Seeing no other way to set his hands free, Kunwar Ji rammed and threw Choti Rani in a corner. He grabbed his gun and pointed it at Sukhi, intending to kill her first, Just as he was about to open fire, the fumes from his barrels and the sound of the bullet filled the atmosphere. Everyone guessed that Kunwar Ji had shot Sukhi - and looked at Sukhi nervously. But she stood still. All of a sudden, Kunwar Ji fell on the ground. Every head turned to look at Choti Rani. She stood in a corner, holding a pistol in her hand. Her hair was loose, scattered and had fallen below her knees. She was dressed in black, and her eyes were red and fiery. Her disorderly curls and scars with blood oozing from them made her look like the Goddess of destruction.

When young Iqbal is sold into slavery at a carpet factory, his arrival changes everything for the other overworked and abused children there. It is Iqbal who explains to them that despite their master's promises, he plans on keeping them as his slaves indefinitely. But it is also Iqbal who inspires the other children to look to a future free from toil...and is brave enough to show them how to get there. This moving fictionalized account of the real Iqbal Masih is told through the voice of Fatima, a young Pakistani girl whose life is changed by Iqbal's courage.

Living Well is a compilation of deeply personal stories and experiences told from the multiple perspectives of the families and individuals who visit the mikveh, the Jewish ritual bath. Tales of beauty, stories of hope, healing, strength and joy emerge from the living waters of the mikveh.

"The epic story of the rise and fall of the empire of cotton, its centrality in the world economy, and its making and remaking of global capitalism. Sven Beckert's rich, fascinating book tells the story of how, in a remarkably brief period, European entrepreneurs and powerful statesmen recast the world's most significant manufacturing industry combining imperial expansion and slave labor with new machines and wage workers to change the world. Here is the story of how, beginning well before the advent of machine production in 1780, these men created a potent innovation (Beckert calls it war capitalism, capitalism based on unrestrained actions of private individuals; the domination of masters over slaves, of colonial capitalists over indigenous inhabitants), and crucially affected the disparate realms of cotton that had existed for millennia. We see how this thing called war capitalism shaped the rise of cotton, and then was used as a lever to transform the world. The empire of cotton was, from the beginning, a fulcrum of constant global struggle between slaves and planters, merchants and statesmen, farmers and merchants, workers and factory owners. In this as in so many other ways, Beckert makes clear how these forces ushered in the modern world. The result is a book as unsettling and disturbing as it is enlightening: a book that brilliantly weaves together the story of cotton with how the present global world came to exist"--Résumé de l'éditeur.

Don't miss the stunning, riveting, hilarious, and 100% fresh conclusion to the interactive Spaceheadz saga! The SPHDZ accomplished their goal of recruiting 3.14 million and one SPHDZ. But the brainwave has been stolen by the chief of the Anti Alien Agency, and it's up to Michael K., the SPHDZ, and their allies to get it back. With three potential Chief sightings, the team is spread around the world, leaving Michael K., Venus, TJ, and the SPHDZ to hold down the fort and finish fifth grade. But with a mysterious new principal and graduation fast approaching, will they be able to find the missing brainwave before the Chief uses it to destroy a planet?
