The second volume of *Dramatherapy: Theory and Practice* brings together well-known international artists and clinicians, who are all practising therapists, to debate and describe the practice of dramatherapy. The contributions offer a wide variety of perspectives from contrasting theoretical backgrounds, but all are connected through the dramatherapy itself.

This new edition of Drama as Therapy presents a coherent review of the practice and theory of Dramatherapy. With a unique combination of practical guidance, clinical examples and research vignettes this fully revised second edition considers developments in the field over the last decade and researches the impact of the 'core processes' on clinical practice.

Drama as Therapy: Theory, Practice and Research: Amazon.co ...

Dramatherapy is the professional journal of the British Association of Dramatherapists which investigates a range of perspectives regarding theory, practice and research in the field of Dramatherapy both nationally and internationally. It aims to promote, develop and examine the diversity of Dramatherapy and welcomes co-authored contributions which explore the dynamics of working collaboratively with other arts therapists.

Dramatherapy: SAGE Journals

The third volume of Dramatherapy: Theory and Practice brings the reader up-to-date with the latest developments in the profession of dramatherapy and tackles key issues in contemporary social relationships. It shows how dramatherapy is evolving its own theory and methodology as well as specific models for supervision and assessment.
