East of Eden In the late Sixties and early Seventies East of Eden were one of the hardest working bands in the country. Countless personnel changes and a curious hit single obliterated the original purpose of the band. Yet when they started out they were at the forefront of experimental music of that era.

East of Eden (1955) - Rotten Tomatoes

East of eden is one of those books where you can open to any page & start reading it & appreciate the effort put behind it. John Steinbeck makes every single element in this book stand out, the characters, the place, the weather, the animals everything in this book has so much heart in it, it gets overwhelming at times.
