Reflection: Philippians 4:7. God's peace is different from the world's peace (See John 14:27). True peace is not found in positive thinking, in absence of conflict, or in good feelings. It comes from knowing that God is in control. Our citizenship in Christ's Kingdom is sure, our destiny is set, and we can have victory over sin.

Answer: Philippians 4:7 refers to “the peace of God which transcends all understanding.”. Most of Paul’s letters began with the words “Grace and peace to you from God our Father and the Lord Jesus Christ.”. Peace is a state of tranquility or quietness of spirit that transcends circumstances. The term peace is described in Scripture as a gift from God and congruent with His character (1 Thessalonians 5:23; Galatians 6:16; 1 Peter 1:2; Hebrews 13:20).
