When a woman was found dead in her bathroom, the evidence pointed to suicide. But a coroner's inquest and a unique application of forensic science gave investigators a different explanation for her death. It was a theory that, if true, could turn the grieving husband into the prime suspect. Originally aired as Season 10, Episode 38.

Forensic Files - Season 10 - IMDb

The main problem with the series (at least in the first few series), is the main suspect is mentioned within just a few minutes of the
