Chapter 30 Section 1 Revolutions In Russia Guided Reading
Red Petrograd is great. Indeed, all the books on the reading list are worth reading. The only problem is that anyone who only read these books might be left with the impression that, in 1917, Russia's workers were desperate to self-manage their workplaces - and that if it wasn't for the authoritarian Bolsheviks, they would have gone on to create a genuinely anarchist-communist society.

Mr. Pipes writes trenchantly, and at times superbly...No single volume known to me even begins to cater so adequately to those who want to discover what really happened to Russia...Nor do I know any other book better designed to help Soviet citizens to struggle out of the darkness." -- Ronald Hingley, The New York Times Book Review Ground-breaking in its inclusiveness, enthralling in its narrative of a movement whose purpose, in the words of Leon Trotsky, was "to overthrow the world." The Russian Revolution draws conclusions that have already aroused great controversy in this country-and that are certain to be explosive when the book is published in the Soviet Union. Richard Pipes argues convincingly that the Russian Revolution was an intellectual, rather than a class, uprising; that it was steeped in terror from its very outset; and that it was not a revolution at all but a coup d'etat -- "the capture of governmental power by a small minority."

Pipes is a widely recognized authority on Russia and is currently Baird professor of History at Harvard University. This is the final volume in his magisterial history of the Russian Revolution, covering the period from the outbreak of the Civil War in 1918 to Lenin's death in 1924.

1917: Stories and Poems from the Russian Revolution is a collection of literary responses to one of the most cataclysmic events in modern world history, which exposes the immense conflictedness and doubt, conviction and hope, pessimism and optimism which political events provoked among contemporary writers - sometimes at the same time, even in the same person. This dazzling panorama of thought, language and form includes work by authors who are already well known to the English-speaking world (Bulgakov, Pasternak, Akhmatova, Mayakovsky), as well as others, whose work we have the pleasure of encountering here for the very first time in English. Edited by Boris Dralyuk, the acclaimed translator of Isaac Babel's Red Cavalry (also published by Pushkin Press), 1917 includes works by some of the best Russian writers - some already famous in the English-speaking world, some published here for the very first time. It is an anthology for everyone: those who are coming to Russian literature for the first time, those who are already experienced students of it, and those who simply want to know how it felt to live through this extreme period in history. POETRY: • Marina Tsvetaeva, "You stepped from a stately cathedral", "Night. - Northeaster. - Roar of soldiers. - Roar of waves." • Zinaida Gippius, "Now", "What have we done to it?", "14 December 1917" • Osip Mandelstam, "In public and behind closed doors" • Boris Pasternak, "Let's praise, O brothers, liberty's dim light" • Anna Akhmatova, "When the nation, suicidal" • Boris Pasternak, "Spring Rain" • Mikhail Kuzmin, "Russian Revolution" • Sergey Esenin, "Wake me tomorrow at break of day" • Mikhail Gerasimov, "I forged my iron flowers" • Vladimir Kirillov, "We" • Aleksey Kravsky, "Decrees" • Andrey Bely, "Russia" • Alexander Blok, "The Twelve" • Tsiyan Tabidze, "Petersburg" • Pavlo Tychyna, "Golden Humming" • Vladimir Mayakovsky, "Revolution: A Poem-Chronicle", "To Russia", "Our March" PROSE: • Alexander Kuprin, "Sashka and Yashka" • Valentin Kataev, "The Drum" • Aleksandr Serafimovich, "How He Died" • David Bergelson, "Pictures of the Revolution" • Teffi, "A Few Words About Lenin", "The Guillotine" • Vasily Rozanov, from "Apocalypse of Our Time" • Aleksey Remizov, "The Lay of the Ruin of Rus" • Yefim Zozulya, "The Dictator: A Story of Ak and Humanity" • Yevgeny Zamyatin, "The Dragon" • Aleksandr Grin, "Uprising" • Mikhail Prishvin, "Blue Banner" • Mikhail Zoshchenko, "A Wonderful Audacity" • Mikhail Bulgakov, "Future Prospects"

From an award-winning scholar comes this definitive, single-volume history that illuminates the tensions and transformations of the Russian Revolution. ? In The Russian Revolution, acclaimed historian Sean McMeekin traces the events which ended Romanov rule, ushered the Bolsheviks into power, and introduced Communism to the world. Between 1917 and 1922, Russia underwent a complete and irreversible transformation. Taking advantage of the collapse of the Tsarist regime in the middle of World War I, the Bolsheviks staged a hostile takeover of the Russian Imperial Army, promoting mutinies and mass desertions of men in order to fulfill Lenin's program of turning the "imperialist war" into civil war. By the time the Bolsheviks had snuffed out the last resistance five years later, over 20 million people had died, and the Russian economy had collapsed so completely that Communism had to be temporarily abandoned. Still, Bolshevik rule was secure, owing to the new regime's monopoly on force, enabled by illicit arms deals signed with capitalist neighbors such as Germany and Sweden who sought to benefit-politically and economically-from the revolutionary chaos in Russia. Drawing on scores of previously untapped files from Russian archives and a range of other repositories in Europe, Turkey, and the United States, McMeekin delivers exciting, groundbreaking research about this turbulent era. The first comprehensive history of these momentous events in two decades, The Russian Revolution combines cutting-edge scholarship and a fast-paced narrative to shed new light on one of the most significant turning points of the twentieth century.

Winner of the Cundill History Prize The House of the Dead tells the incredible hundred-year-long story of "the vast prison without a roof" that was Russia's Siberian penal colony. From the beginning of the nineteenth century until the Russian Revolution, the tsars exiled more than a million prisoners and their families east. Here Daniel Beer illuminates both the brutal realities of this inhuman system and the tragic and inspiring fates of those who endured it. Siberia was intended to serve not only as a dumping ground for criminals and political dissidents, but also as new settlements. The system failed on both fronts: it peopled Siberia with an army of destitute and desperate vagabonds who visited a plague of crime on the indigenous population, and transformed the region into a virtual laboratory of revolution. A masterly and original work of nonfiction, The House of the Dead is the history of a failed social experiment and an examination of Siberia's decisive influence on the political forces of the modern world.

"During the first two months of 1917 Russia was still a Romanov monarchy. Eight months later the Bolsheviks stood at the helm. They were little known to anybody when the year began, and their leaders were still under indictment for state treason when they came to power. You will not find another such sharp turn in history especially if you remember that it involves a nation of 150 million people. It is clear that the events of 1917, whatever you think of them, deserve study." --Leon Trotsky, from History of the Russian Revolution Regarded by many as among the most powerful works of history ever written, this book offers an unparalleled account of one of the most pivotal and hotly debated events in world history. This book reveals, from the perspective of one of its central actors, the Russian Revolution's profoundly democratic, emancipatory character. Originally published in three parts, Trotsky's masterpiece is collected here in a single volume. It serves as the most vital and inspiring record of the Russian Revolution to date. "[T]he greatest history of an event that I know." --C. L. R. James "In Trotsky all passions were aroused, but his thought remained calm and his vision clear... His involvement in the struggle, far from blurring his sight, sharpens it.... The History is his crowning work, both in scale and power and as the fullest expression of his ideas on revolution. As an account of a revolution, given by one of its chief actors, it stands unique in world literature." --Isaac Deutscher

"History of Russia in 100 Minutes" is a crash course for beginners. Here you will find the complete history summarized and retold in simple language with accurate dates, the most relevant names and essential concepts. After finishing the course, you will know: - The basic characteristics of Russian history in different epochs - The 54 most important rulers and 106 historical persons in Russian history - 126 key dates and events in Russian history - The basic terms and concepts of Russian history The text is accompanied by numerous online resources: - 20,000 pictures - 700 videos - 3,500 songs - 100 podcast episodes All that is available via the smarthistories.com website.

It is an odd thing: a desire comes to me to write, and to write in my faltering mother tongue, which, as it happens, I have not spoken since I left the home of my parents. Far as my childhood years have receded from me, I now suddenly find them coming back to me, closer and closer to me, so near, they could be breathing into my mouth. I see myself so clearly a plump little thing, a tiny girl running all over the place, pushing my way from one door through another, hiding like a curled-up little worm with my feet up on our broad window sills. My father, my mother, the two grandmothers, my handsome grandfather, my own and outside families, the comfortable and the needy, weddings and funerals, our streets and gardens all this streams before my eyes like the deep waters of our Dvina. My old home is not there any more. Everything is gone, even dead. My father, may his prayers help us, has died. My mother is living and God alone knows whether she still lives in an un-Jewish city that is quite alien to her. The children are scattered in this world and the other, some here, some there. But each of them, in place of his vanished inheritance, has taken with him, like a piece of his father's shroud, the breath of the parental home. I am unfolding my piece of heritage, and at once there rise to my nose the odours of my old home. My ears begin to sound with the clamour of the shop and the melodies that the rabbi sang on holidays. From every corner a shadow thrusts out, and no sooner do I touch it than it pulls me into a dancing circle with other shadows. They jostle one another, prod me in the back, grasp me by the hands, the feet, until all of them together fall upon me like a host of humming flies on a hot day. I do not know where to take refuge from them. And so, just once, I want very much to wrest from the darkness a day, an hour, a moment belonging to my vanished home. But how does one bring back to life such a moment? Dear God, it is so hard to draw out a fragment of bygone life from fleshless memories! And what if they should flicker out, my lean memories, and die away together with me? I want to rescue them. I recall that you, my faithful friend, have often in affection begged me to tell you about my life in the time before you knew me. So I am writing for you.
