Lovecraft / A HorrorBabble Production~~ ~~The Complete Pokemon Timeline...So Far | The Leaderboard~~ **Boethius and the Consolation of Philosophy Infinite Ascent A Short History**

In conclusion, Infinite Ascent is well written with just the right level of mathematical sophistication and it covers 2500 years of mathematical history in a mere 197 pages. I would also strongly suggest THE ADVENT OF THE ALGORITHM, NEWTON'S GIFT, and especially A TOUR OF THE CALCULUS all by Mr. Berlinski.
