Comparing legal systems involves, at least to some degree, exploring both similarities and differences. For some writers, this forms part of the definition of comparative law. Some comparative lawyers have generally emphasized differences, while others see similarities, particularly in problems and their results, and a third group has sought to strike a balance between observing and analysing ...

222 Id. at 197: “It would be nice if one could take the rule of law without the rule of lawyers. But that is not possible.” But that is not possible.” 223 Decisions based on a “logic of appropriateness” are biased toward what social norms (here, WTO rules) deem right rather than what cost-benefit calculations (here, a WTO member’s national interests) consider best.

Lawyers for Tatiana Akhmedova - who is seeking £450m awarded by a British court from her ex-husband - carried out a 10-hour search at the exclusive apartment in central London. 1 comment

*News Headlines / Today's UK & World News / Daily Mail Online*

I was told in my last year of law school by someone who came in to teach us how to dress as lawyers (both men and women) that navy blue was the color of truth. I want to appear like a truth teller.
