Multiple-Choice Quizzes - JetPunk

Free response, usually referred to as essay, is a type of question used in tests in education, workplace, and government. Most free response questions ask or require the test-taker to state a belief, opinion, or write a short essay and support it with facts, examples, or other evidence. However, few tests solely rely on these types of problems, and tend to work in conjunction with other types, such as multiple choice.

Free response - Wikipedia

1 Conceptual-Analysis Question 2 Country-Concept Questions The multiple choice and the free response sections are weighted equally in calculating your final score. Within the free response section, the short-answer concept questions are weighted at 25%, the conceptual analysis questions at 25%, and the country-concept questions at 50%.
