Rhinoceros is a play by Eug è ne Ionesco, written in 1959. The play was included in Martin Esslin's study of post-war avant-garde drama The Theatre of the Absurd, although scholars have also rejected this label as too interpretatively narrow. Over the course of three acts, the inhabitants of a small, provincial French town turn into rhinoceroses; ultimately the only human who does not succumb to this mass metamorphosis is the central character, B é renger, a flustered everyman figure who is ...

In Rhinoceros, as in his other plays, Eugene Ionesco startles audiences with a world that invariably erupts in explosive laughter and nightmare anxiety. A rhinoceros suddenly appears in a small town, tramping through its peaceful streets. Soon there are two, then three, until the “ movement ” is universal.

Eugene Ionesco's first one-act "antiplay," *The Bald Soprano*, inspired a revolution in dramatic techniques and helped inaugurate the Theatre of the Absurd. He followed it with other one-act plays in which illogical events create an atmosphere both comic and grotesque, including *The Lesson*. His most popular full-length play was *Rhinoceros*.

Presents three dramatic works by the contemporary French experimental playwright: *The Leader*, *The Future Is in Eggs or It Takes all Sorts to Make a World*, and *Rhinoceros*

The sublime is confused with the ridiculous in this savage commentary on the human condition, a staple of every theatre classroom and 20th century drama. A small town is besieged by one roaring citizen who becomes a rhinoceros and proceeds to trample on the social order. As more citizens are transformed into rhinoceroses, the trampling becomes overwhelming, and more and more citizens become rhinoceroses. One sane man, Berenger, remains, unable to change his form and identity.

Important modern drama about mind control.

For use in schools and libraries only. Presents three dramatic works by the contemporary French experimental playwright: *The Leader*, *The Future Is in Eggs or It Takes all Sorts to Make a World*, and *Rhinoceros*

A Study Guide for Eugene Ionesco's "*Rhinoceros*," excerpted from Gale's acclaimed *Drama For Students*. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust *Drama For Students* for all of your research needs.

Three hilarious and provocative plays by the absurdist pioneer who remains "one of the most important and influential figures in the modern theater" (*Library Journal*). The author of such modern classics as *The Bald Soprano*, *Exit the King*, *Rhinoceros*, and *The Chairs*, Eugene Ionesco's plays have become emblematic of Absurdist theatre and the French avant-garde. This essential collection combines *The New Tenant* with *Am é d é e* and *Victims of Duty*—plays Richard Gilman has called, along with *The Killer*, Ionesco's "greatest plays, works of the same solidity, fulness, and permanence as [those of] his predecessors in the dramatic revolution that began with Ibsen and is still going on." In *Am é d é e*, the title character and his wife have a problem—not so much the corpse in their bedroom as the fact that it's been there for fifteen years and is now growing, slowly but surely crowding them out of their apartment. In *The New Tenant*, a similar crowding is caused by an excess of furniture—as Harold Hobson said in the *London Times*, "there is not a dramatist . . . who can make furniture speak as eloquently as Ionesco, and here he makes it the perfect, the terrifying symbol of the deranged mind." In *Victims of Duty*, Ionesco parodies the conformity of modern life by plunging his characters into an obscure search for "mallot with a t."

This Absurdist masterpiece by the author of *Rhinoceros* "is explosively, liberatingly funny...a loony parody with a climax which is an orgy of non-sequiturs" (*The Observer*). Written in 1950, Eugene Ionesco's first play, *The Bald Soprano*, was a seminal work of Absurdist theatre. Today, it is celebrated around the world as a modern classic for its imagination and sui generis theatricality. A hilarious parody of English manners and a striking statement on the alienation of modern life, it was inspired by the strange dialogues Ionesco encountered in foreign language phrase books. Ionesco went on to become an internationally renowned master of modern drama, famous for the comic proportions and bizarre effects that allow his work to be simultaneously hilarious, tragic, and profound. As Ionesco has said, "Theater is not literature. . . . It is simply what cannot be

expressed by any other means. ”
