Drawings and blueprints. 10,000 first printing.

Presents an illustrated guide to golf instruction, revealing the real secret to executing a great golf swing eliminating the "slice."

From “one of the best sportswriters in America” (The Washington Times)—the New York Times bestselling story of the friendship and rivalry between golf legends Tom Watson and Jack Nicklaus, whose sparring matches defined the sport for more than a decade. The first time they met, at an exhibition match in 1967, Tom Watson was a seventeen-year-old high school student and Jack Nicklaus, at twenty-seven, was already the greatest golfer in the world. Though they shared some similarities—they were both Midwestern boys who had learned how to play golf at their fathers’ country clubs—they differed in many ways. Nicklaus played a game of consummate control and precision. Watson hit the ball all over the place. Nicklaus lacked charm and theatrics, and he was thoroughly despised by most golf fans because he had displaced Arnold Palmer as king of the golf world. Watson was one of those Arnold Palmer fans. Yet over the next twenty years their seemingly divergent paths collided as they battled against each other again and again for a place at the top of the sport and drove each other to ever-soaring heights of accomplishment. Spanning from that first match through the “Duel in the Sun” at Turnberry in 1977 to Watson’s miraculous near-victory at Turnberry as he approached sixty, and informed by interviews with both players over many years, *The Secret of Golf* is Joe Posnanski’s intimate account of the most remarkable rivalry and (eventual) friendship in modern golf.

In *Kinetic Golf*, Nick Bradley uses 115 extraordinary photographs, accompanied by clear, direct text, to raise the bar on golf instruction and give golfers—amateur or professional—a unique way of actually feeling their way to mastering the game. Offering insights that words alone cannot convey, the book provides a vastly improved golf game as the reward. Drawing upon his deep knowledge of trade and Tour secrets, Bradley shows how to build a powerful and consistent game while also debunking many of the myths that cloud the confidence and hinder the performance of the novice and developing golfer. Throughout *Kinetic Golf*, Bradley boils down the very essence of swing motion and technique, blends it with a feeling, and then creates an image that says it all. Take one look, and you'll get the picture.

The tests a golfer faces on the course are the direct result of the challenges originally faced by the golf course architect, whether they be complicated terrain, forces of nature, budget limitations, demanding developers, or the difficult task of balancing the practical scientific needs of a golf course with the architect's creative instincts. *Secrets of the Great Golf Course Architects* offers readers behind-the-scenes tales from America's master architects themselves in their own words. Elite designers such as Tom Fazio, Jack Nicklaus, Pete Dye, Rees Jones, Robert Trent Jones Jr., Arthur Hills, Arnold Palmer, and others share their personal anecdotes related to the creation of some of the world's most famous courses: from run-ins with snakes to bulldozers sinking in quicksand, to holes created by accident, such as the famed island green 17th at the TPC at Sawgrass. Published in collaboration with the prestigious American Society of Golf Course Architects, *Secrets of the Great Golf Course Architects* includes more than 150 beautiful full-color photographs and dozens of drawings and course blueprints, making this a first of its kind insider's look at golf course architecture sure to become a key addition to the libraries of

all golfers with an appreciation for the courses they play.

Ben Hogan is legendary, intriguing, and mysterious. It's a combination that has contributed to Hogan being the most interesting golfer of all time. Aside from his amazing competitive record, his secretive and solitary personality provoke wonder and devotion among thousands of golfers worldwide who attempt to unlock Hogan's secret code of how to swing a golf club and strike a golf ball. Hogan himself has fueled this intrigue, mainly because he openly declared that he had a "secret," one that he never publicly revealed. Many top professionals have speculated on what they thought Hogan's secret might be, but until now those speculations were not supported by any revelations from Hogan himself. Now, author Larry Miller, who was mentored by Tommy Bolt, who in turn was one of Hogan's protégés, shares Hogan's secret as he learned it. This secret fundamental, which Miller breaks down into two aspects and explains with the aid of full-color photography and illustrations, will help the average golfer implement Hogan's teachings to benefit his or her game.

How can knowing the secrets of Chinese Water Torture, looking for the Holy Grail, learning the mystery behind the Mulligan, and carrying a Hollywood Handicap help you play better golf? Why should you beware the Member's Bounce, play the hand your dealt, kill the big fish, and be a control freak if you want to learn to walk like a winner? And how do the trials of a small-town golf prodigy, a reluctant New York investment banker, a transient wanna-be mini tour player, a college baseball pitcher from Louisiana, and a retired architect from Charleston whose recently lost his wife all help us make sense of

Download Free Secrets Of The Great Golf Course Architects A Treasury Of The Worlds Greatest Golf Courses By Historys Master

it all? These are questions you'll find the answers to in LESSONS FROM THE GOLF GURU - Secrets, Strategies, and Stories for Golf and Life; a book that boldly goes in search of those answers in places the first one never did. These are more than just lessons to help with the number you put on your scorecard, they're also stories that help us relate to those lessons in ways that go way beyond golf. Because golf really is more than just a game, it's also a way of life, and this book will help you get more out of both. Sound like a tall order for a collection of lessons and stories about a Royal and Ancient game? Maybe so, but ultimately these aren't just secrets, strategies, and stories for the game of golf. They are lessons for the game of life.

Nick Bradley has coached winners on every Professional Tour. In *Seven Laws of the Golf Swing*, he distills his many years of experience into a comprehensive and easy-to-follow guide to building a powerful and consistent swing, no matter what your level of expertise. Each key area of the perfect golf swing - grip, set-up, leg action, swing plane, synchronicity, release, and the role of the mind - is explained in detail and using superb, groundbreaking illustrations. A range of practical exercises also helps to accelerate the learning process and develop a greater awareness of the feelings and sensations associated with a correct golf swing motion. With an all-new foreword by Justin Rose for this edition, *The Seven Laws of the Golf Swing* is an essential golf guide, from one of the sport's most sought-after coaches.
