All writing submitted to the contest will be considered for publication in The 33rd, an anthology produced by the Drexel Publishing Group that is used in first-year writing courses. This is an opportunity for students to see their work in print. Writers of winning pieces may be invited to read during the Drexel Writing Festival in the spring term.

Flexible, easy to use, just enough detail?and now the number-one best seller. With just enough detail ? and color-coded links that send students to more detail if they need it ? this is the rhetoric that tells students what they need to know and resists the temptation to tell them everything there is to know. Designed for easy reference ? with menus, directories, and a combined glossary/index. The Third Edition has new chapters on academic writing, choosing genres, writing online, and choosing media, as well as new attention to multimodal writing. The Norton Field Guide to Writing is available with a handbook, an anthology, or both ? and all versions are now available as low-cost ebooks.

'On Picket Duty (and other tales) is a short-story compilation by the author of "Little Women", Louisa May Alcott. It includes the following stories: 'On Picket Duty', "The King of Clubs and the Queen of Hearts', 'The Cross on the old Church Tower' and 'The Death of John.'

A lifesaver for those drowning in the demands of leadership Leadership Hacks is the business leader's guide to getting things done. Over the years, the leader's role has expanded to encompass more duties, more responsibility and more accountability — yet we're still stuck with the same 24 hours in every day. The evolving business environment leaves many of us struggling to achieve against constantly shifting priorities, competitors and deadlines, and we are forever expected to do more with less. Is it even possible to make a real impact? Yes! This book shows you how to sort through the madness and get back to getting results. Identify your major speed bumps, and let the action-focused discussion give you practical workarounds that will streamline your day and help you make things happen. Covering hacks at personal, one-on-one, and team levels, this book is packed with tips, tricks and advice that will help you eliminate the distractions and harness technology; communicate effectively, delegate clearly and coach confidently; and make meetings and missions that matter for your team. You'll achieve greater results, open the channels of communication and look like a rock star to those still struggling with the daily deluge. Identify what distractions slow you down Fast-track your productivity to do more in less time Streamline delegation so your people perform faster Re-route meetings into productive conversations Learn the communication and technology shortcuts that get faster results Leaders are recognised for their results, but judged by their impact. Don't let yourself fall victim to ever-mounting demands. Leadership Hacks shows you how to hack your day, shift your approach, boost your communication and start making your way to the top.

Gathers letters written by more than seventy-five distinguished women poets, cartoonists, and novelists to their mothers, including Joyce Carol Oates, Barbara Kingsolver, Ntozake Shange, and Susan Griffin

A memoir done in the form of a graphic novel by a cult favorite comic artist offers a darkly funny family portrait that details her relationship with her father—a funeral home director, high school English teacher, and closeted homosexual.

Joseph Charles Philpot M.A. was born on the 13th September 1802 at Ripple Rectory in Kent. He was educated at Worcester College, Oxford, and was subsequently elected a Fellow. He went on to Ireland as a tutor for a private family, and, having been saved by grace, began his ministry in the Church of England. He seceded from that Church in 1835, and the same year aligned himself with the Strict and Particular Baptists, being baptized by John Warburton on his 33rd birthday. He became pastor of the Stamford and Oakham congregations in 1838 and ministered faithfully until poor health ended his pastoral ministry in 1864. He went to his reward on 9th December 1869, a beloved and respected leader amongst the Strict and Particular Baptists where his memory is still cherished. As well as his pastoral work, he was also editor of the Gospel Standard which gained considerable influence and prominence under his leadership. The organisation still publishes his works, and much of what we have from him today was first written for that publication. These devotions have been available on various websites for some time, but to my knowledge there has not been a printed edition using the King James Version of the bible available for many years. I believe the devotions are very close to the original publications, with only some paragraph divisions and occasional sentence splittings added by this arranger to make the devotions easier to follow for 21st Century readers. Philpot's original but now veteran language and grammar has been left largely unaltered with only the spelling being returned to British English, some archaic words very carefully replaced, and no simplification. The Scripture quotes at the beginning of each portion use the original King James Version, with a few of the contractions removed to print the full verse rather than just a couple of words. Philpot himself often paraphrased, tending to follow the pattern of the Geneva Bible of 1560, so where odd words differ from the KJV in the body of his portions, this may well be the cause and origin. A handful of the devotions seem quite short, and may have been truncated in the past. However, checking all the versions available to me has not revealed any

additional text, so any missing text may now have been lost forever. I trust that you will find these devotions as encouraging and challenging as I do, and that they will strengthen you in your faith as they have done for many thousands of Christian readers over the years. The truth contained within them is as precious and real today as it was when first written, and remains fresh and pertinent with repeated reading. You will be able to re-read this volume many times during your life and will always be surprised to find something new that you missed first time round. Noel Pogson May 2017

Each of these twenty-four stories won the Edgar Allan Poe Award for Best Mystery Short Story of its year from 1947 to 1978.
