Continuum Integrated is a  
two-tier nationally  
recognized behavioral health  
care organization. Children,  
adolescents and a select  
number of adults are treated  
either by appointment or as  
part of structured treatment  
programs.

Integrated Health Solutions  
(CIHS)*

Until recently, behavioral health was defined within the strict dichotomy of inpatient and outpatient care -- a dichotomy that failed to mirror the range and complexity of human experience and clinical needs. Today's integrated system renders this dichotomy obsolete. Instead, service delivery integration processes offer an organized system of care rooted in a
