THE FINAL PART IN THE ADDICTIVE NEW 4-PART EBOOK-SERIAL FROM ROBERTA KRAY. NO ONE KNOWS CRIME LIKE KRAY I don't mind a challenge, especially when the odds are stacked in my favour. My last guest was a snivelling wretch, always crying, always pleading, as if any of that nonsense was going to make a damn bit of difference. Ava Gold is going to make up for all the disappointments of my life, all the tedious days and tiresome nights. If she behaves, I'll treat her well - I'm not in the business of making people suffer unnecessarily - but I won't be disobeyed . . . Ava wants to believe Chris is innocent of the crime he's accused of but the more digging she does, the worse it looks for him. And there's still the issue of Holly and what Ava's been hiding from the police to sort out. Ava doesn't think things can get any worse but she has no idea how wrong she is, because the man who's been watching her has decided the time for watching is over. He's ready to act . . . Read what people are saying about Roberta Kray: 'Once you start to read you can't put it down' 'Full of twists and turns' 'Love this writer, great read' 'Brilliant and gripping from beginning to end'

Royal assent, 18th December 2013. An Act to make further provision about banking and other financial services, including provision about the Financial Services Compensation Scheme; to make provision for the amounts owed in respect of certain deposits to be treated as a preferential debt on insolvency; to make further provision about payment systems and securities settlement systems; to make provision about the accounts of the Bank of England and its wholly owned subsidiaries; to make provision in relation to persons providing claims management services. Explanatory notes have been produced to assist in the understanding of this Act and will be available separately

Royal assent, 22nd July 2004. An act to grant certain duties, to alter other duties, and to amend the law relating to the National Debt, and the Public Revenue, and to make further provision in connection with finance

A Short Course in International Payments describes how to use letters of credit and documentary collections, how to grant and obtain credit, and how to use cyberpayments in international trade. The book also has an excellent section on trade documentation.
