When the Stamp Act crisis erupted, the abolition of the Atlantic slave trade or the overthrow of colonial slavery was deemed impossible. Less than a quarter century later, by the time delegates gathered for the Constitutional Convention, both slavery and the Atlantic slave trade were being condemned, not only in the new United States, but also in Britain and France.

The Price of Slavery - The New York Times

The problem of slavery in the territories created tensions that contributed to the breakup of the Union in 1860-61. The main explanation for the origins of the American Civil War is slavery, especially when it came to Southern anger. The Southern anger was based on the Northern attempts to avoid further slave expansion, which led to numerous acts, and essentially caused the war against Mexico.

The Problem of Slavery in the Territories Created Tensions ...

Now, almost 50 years after the first volume appeared, Mr. Davis concludes his trilogy with *The Problem of Slavery in the Age of Emancipation*. A brilliant capstone, the book extends Mr. Davis's story still further--to encompass the growing anti-slavery agitation in 19th-century America and the efforts of free blacks to urge forward the cause of abolition and equality even as the forces of reaction sought to protect the status quo.

Well, as author Harvey Amani Whitfield tells us in "The Problem Of Slavery In Early Vermont", not exactly. Although the Vermont Constitution of 1777 is touted as the first constitution in North America to abolish slavery, it only held that people "Ought not to beholden by law to serve any person as a Servant, Slave or Apprentice" and there were limitations.
