“ The Religion of Democracy ” recounts the role of religion as spiritual and intellectual underpinnings of Liberalism through the lives of seven American liberals. Author Amy Kittelstrom makes the point that liberalism, which in our day is often identified as irreligious or even anti-religious, actually has its foundations in American Reformation Christianity.

Democracy is not fairness or justice. Democracy can ' t even be about equality, because if we were all equal, there couldn ' t be a government with authority over others. No, democracy is a form of government, and therefore it is just about control. And democracy is about having enough people, even numbers, to force oneself on others.

Democracy: the religion of politics | Seven Laws Blog UK

The core American principles of liberty and equality were never free from religion but full of religion. The Religion of Democracy re-creates the liberal conversation from the eighteenth century to the twentieth by tracing the lived connections among seven thinkers through whom they knew, what they read and wrote, where they went, and how they expressed their opinions—from John Adams to William James to Jane Addams; from Boston to Chicago to Berkeley.

The Religion of Democracy: Seven Liberals and the American ...

Separation of religion and state is required to protect freedom and ensure equality. As many countries, including the United States incorporate religion into their legislation, it could be argued as to what constitutes a secular democracy. From the Legal point of view, democracy can never enjoy general acceptance in a religious society. Anything outside of rigid interpretation of religious texts is rejected and God rather than the people is sovereign.
