Many ushers communicate during church services using a sequence of hand signals called the " National Silent Uniform System. " Here are some of the central elements of these signals. Find this Pin and more on Usher Board by Yvonne Simmons.

Opinion | Usher Signals | Usher quotes, Usher, Black church

An usher signals prayer by crossing his right arm over his left, with each hand touching the opposite elbow. When it is time for the ushers to assume their stations, the lead usher moves his right hand in an arc from his left cheek to his right hip, which is also the signal for asking how many chairs are available in a row.
